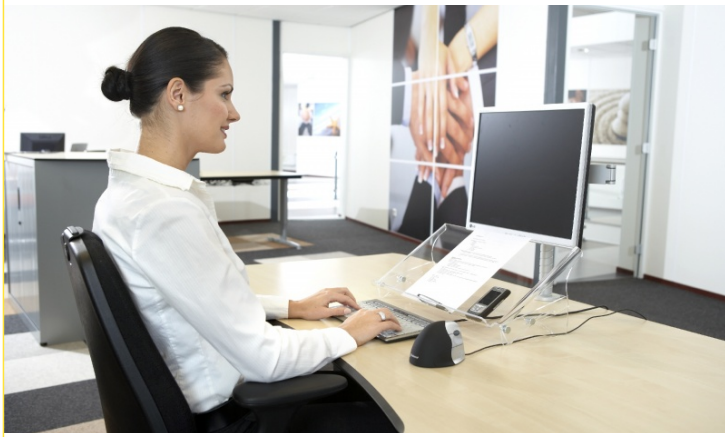
Research
A footrest can help out when the desk is not properly height-adjustable. A good footrest prevents the pinching off of the bloodstream and can help encourage a healthy body posture.



1

1. Steady

2. The red button

2 
Health & Safety Regulations
Council Directive 90/270/E the minimum safety and health requirements for work with display screen equipment. A footrest shall be made available to anyone who wishes for one.
